Oliver's Real Food Limited (the **Company**) is delighted to announce that on Thursday 5<sup>th</sup> November 2020 all remaining stores in the network will reopen.

The business reopened its entire network briefly in June 2020 when restrictions were eased, but had to close the 12 Victorian-based stores again on 14<sup>th</sup> July 2020 when severe restrictions were implemented by the Victorian Government in an effort to control the spread of the COVID19 virus.

Tammie Phillips CEO commented:

*“This is a significant moment in our shift into the post COVID trading period that we have been looking forward to for some time now, and one that will be welcomed by the Company, our customers, our shareholders, our suppliers, and particularly by the team members who are really excited at the prospect of getting back into the stores and serving our loyal customers.”*

Oliver's team member Tayla Haig is jumping for joy at the prospect of returning to work and serving her loyal customers at one of the networks Victorian stores.

Jason Gunn – Founder and Chairman commented:

*“The past 8 months have been challenging for many businesses in Australia, particularly in Victoria, and as a business we too have just had to be patient and wait for this moment. We are all very excited at the prospect of finally having our entire network open and trading, and we hope to see strong trading resume as the restrictions are further relaxed, borders are reopened, and people take advantage of the opportunity to get out of the house, out on the road, and visit friends, family and loved ones. This is very welcome news.”*
