About EG Group

The EG Group has established itself as one of the world's fastest growing and most recognisable forecourt operators, with an expanding portfolio of around 7000 sites across the UK, mainland Europe, the US and Australia.

Alongside an innovative approach to roadside retail property, EG has forged high-profile relationships with nationally and globally recognised fuel, food retailing and convenience brands.

The business is regularly recognized for innovation and investment in its retail assets, the employees and the systems.

Tammie Phillips (OLI - CEO) commented:

"It has certainly been very exciting to launch our new concept OLIVERS FOOD TO GO into the EG store network. This is a great partnership, and a fantastic opportunity for Oliver's. EG work extensively with some of the world's leading QSR brands, so it is a huge compliment and fantastic recognition of OLI as a brand, that we have been chosen to partner with EG in Australia. We are looking forward to growing our partnership with the EG group and bringing OLIVERS FOOD TO GO to another 50 communities by the end of 2020."

This ASX release has been authorised by the Board of Directors.
