ASX Release

Oliver's Real Food (ASX: OLI) Tesla partners with Oliver's at Maryborough Qld store

Oliver's Real Food Limited (**Oliver's** or the **Company**) is pleased to advise that it has entered into a licensing arrangement with Tesla to install 7 Tesla Super Chargers at the Oliver's Maryborough location (Bruce Highway, 255 Kilometres north of Brisbane).

Tesla installed 6 Super Chargers at Oliver's Gundagai (Hume Highway between Sydney & Melbourne) in 2016 and has been delighted with the feedback from Tesla drivers who find the Oliver's menu offering fits with their appetite for more health conscious approach to roadside dining.

Jason Gunn, CEO of Oliver's said that "We are delighted to have the Tesla Super chargers installed at another Oliver's location and feel that the brand association is great for both Oliver's and Tesla.

Being able to recharge your electric car whilst you refuel your body with fresh, natural and organic food, is the way of the future."

About Oliver's Real Food Limited (ASX:OLI)

Oliver's Real Food Limited (Oliver's) listed on the ASX on 21 June 2017 after raising \$15m by way of an Initial Public Offering. Over its 12 year operating history, Oliver's has established a significant market position providing a healthy, fresh food alternative to traditional fast food for travellers on Australia's major arterial highways. Oliver's Real Food is believed to be the world's first certified organic fast food chain with stores along the arterial highways of Australia's eastern seaboard. Oliver's provides its customers with premium quality, "real" food that is fresh and natural, free from additives and preservatives, 7 days a week at major highway locations. Oliver's is passionate about nutrition and the benefits of eating well. Approximately 50% of the food and beverages sold at Oliver's sites is organically grown and 90% of it is Oliver's branded.

Oliver's plans to own and operate approximately 33 stores by the end of FY2018 and over 60 stores within the next few years.
