ACN 166 495 441

SUPPLEMENTARY PROSPECTUS

IMPORTANT NOTICE

This Supplementary Prospectus is dated 2 June 2017 (**Supplementary Prospectus**) and is supplementary to the prospectus dated 17 May 2017 (**Prospectus**) issued by Oliver's Real Food Limited ACN 166 495 441 (**Company**) relating to the initial public offering of fully paid ordinary shares (**Shares**) in the Company to raise a minimum of \$9 million and a maximum of \$15 million (**Offer**).

This Supplementary Prospectus was lodged with the Australian Securities and Investments Commission (ASIC) on 2 June 2017 (Supplementary Prospectus Date). Neither ASIC nor ASX Limited (ASX), nor their respective officers, take any responsibility for the contents of this Supplementary Prospectus or for the merits of the investment to which this Supplementary Prospectus relates.

This Supplementary Prospectus is being issued by the Company to supplement the Prospectus and must be read together with the Prospectus.

If there is a conflict between the Prospectus and this Supplementary Prospectus, this Supplementary Prospectus will prevail to the extent of the inconsistency. Terms and abbreviations defined in the Prospectus have the same meaning in this Supplementary Prospectus, unless otherwise defined.

The Company has issued both a printed and electronic version of this Supplementary Prospectus and the Prospectus. Electronic versions of both may be accessed at **www.oliversrealfood.com.au/investors**. The Company will send a copy of this Supplementary Prospectus to all Applicants who have subscribed prior to the Supplementary Prospectus Date for Shares under the Prospectus.

The Prospectus and this Supplementary Prospectus are important documents and should both be read in their entirety. Please consult your accountant, financial adviser, stockbroker, lawyer or other professional adviser before deciding whether to invest or if you do not fully understand the contents of these documents. It is recommended that potential investors read the Key Risks that relate to an investment in the Company that are contained in section 5 of the Prospectus.

This Supplementary Prospectus contains particulars of changes to the Prospectus. Other than the changes set out below, all other details in the Prospectus remain unchanged.

1 BACKGROUND TO THIS SUPPLEMENTARY PROSPECTUS

The Offer opened on Monday, 22 May 2017 and is scheduled to close at 5.00pm on Friday, 2 June 2017.

Due to investor feedback and market conditions, the Company has decided that it is best for the Offer to be extended by seven days and also to vary the Offer by reducing the offer price of the Shares under the Offer.

This Supplementary Prospectus has been issued to implement those changes, and to provide details of the consequential changes that have been made to the Prospectus as a result of the change in timetable and variation of the Offer. The Board has considered the change in timetable and the terms of the variation of the Offer and in its opinion it does not believe that either of those circumstances, or the resulting changes to the Prospectus, are materially adverse from the point of view of an investor.

Capitalised terms used in this Supplementary Prospectus not defined in this Supplementary Prospectus have the same meaning given to them in the Section 11 of the Prospectus.

2 EXTENSION OF OFFER PERIOD AND VARIATION TO IPO TERMS

Taking into account the key objective of listing the Company, the Board has concluded it is in the best interests of the Company to:

- (1) extend the Offer Period to now close at 5.00pm (Sydney time) on **9 June 2017**, as set out in the revised timetable in section 3 below; and
- (2) reduce the offer price of the Shares under the Offer to \$0.20 (**Revised Offer Price**).

3 REVISED TIMETABLE

EVENT	DATE
Closing Date	5:00pm (Sydney time) on 9 June 2017
Issue of New Shares (Completion of Offer)	15 June 2017
Expected despatch of holding statements	15 June 2017

Notes:

- 1. All references in the Prospectus to the events described above are replaced with the dates set out above. All of the above dates remain indicative only and are subject to further change.
- 2. The Company reserves the right to vary the dates and times of the Offer, subject to the Corporations Act, the ASX Listing Rules and any other applicable laws, including to close the Offer early, extend the Offer, deferring Completion or to accept late Applications either generally or in particular cases, allotting Shares at different times to investors, or to withdraw the Offer, all without notifying any recipient of the Prospectus or this Supplementary Prospectus or any Applicants. The quotation and commencement of trading of the Shares on ASX remains subject to confirmation from ASX.

4 EXISTING INVESTORS UNDER THE OFFER

As at 1 June 2017 the Company had received Applications under the Public Offer for a total amount of approximately \$7,300,000.

The Company has also received written indications from institutional investors of a willingness to subscribe for Shares at the Revised Offer Price which, if fulfilled, together with the proceeds from the Public Offer, would result in the Company achieving in excess of the Minimum Subscription.

Subject to the Company receiving prior to the Closing Date a minimum of \$9 million, the Company intends to proceed to list on ASX, subject to ASX final listing committee approval and satisfying any conditions imposed by ASX.

If you have already lodged an Application under the Prospectus **YOU ARE NOT REQUIRED TO TAKE ANY ACTION**. Your Application will be accepted by the Company to be a subscription for Shares under the Offer at the Revised Offer Price of \$0.20 and you will be issued such number of Shares at the Revised Offer Price equal to the total amount subscribed for under your Application. Any fractional entitlements to Shares arising from the change to the Offer Price of Shares will be rounded down to the nearest whole Share. By continuing with your Application you authorise the Company to make any necessary changes to your Application in accordance with section 7.17 of the Prospectus to give effect to your subscription at the new issue price for Shares.

6 EFFECT OF VARIATIONS TO THE OFFER ON SECTIONS OF THE PROSPECTUS

As a result of the variations to the Offer referred to in paragraphs 2 and 3 above, certain information contained in the Prospectus is amended as follows:

6.1 *Key Offer Details (page 5 of the Prospectus)*

Revised Offer Price per Share	\$0.20			
Number of Shares on issue or committed to be issued as at the date of this Supplementary Prospectus	134,494,581			
	Minimum Subscription	Maximum Subscription		
Gross proceeds from the Offer	\$9,000,000	\$15,000,000		
Total number of New Shares to be issued under the Offer	45,000,000	75,000,000		
Total number of New Shares on issue on Completion of the Offer	179,494,581	209,494,581		
Total number of Options on issue on Completion of the Offer	10,950,000	10,950,000		
Indicative market capitalisation based on the Revised Offer Price	\$35,898,916	\$41,898,916		

Notes: Number of Shares committed to be issued includes 2,500,000 to be issued to Taonga Nui Holdings (NZ) Limited – see section 6.7 of this Supplementary Prospectus. The Lead Manager to the Offer is entitled to the issue of 2,000,000 Options subject to raising at least \$7,000,000 from investors under the Offer. If the Lead Manager is not issued those Options, there will only be 8,950,000 options on issue on Completion. The capital structure also assumes that no Options are exercised before Completion and it does not include any bonus Shares to be issued by the Company under the Employee Offer.

All further references in the Prospectus and this Supplementary Prospectus to:

- the offer price per Share;
- the total number of New Shares to be issued under the Offer;
- the total number of Shares on issue on completion of the Offer;
- the total number of Options on issue on completion of the Offer; and
- the indicative market capitalisation of the Company based on the Offer Price,

are amended to refer to the new numbers set out in the table above.

Fractional entitlements to Shares will be rounded down to the nearest whole Share.

6.2 *Pro forma capital structure (section 7.7 of the Prospectus)*

The revised pro forma capital structure of the Company at Completion will be:

	Number of Shares based on Minimum Subscription	Number of Shares based on Maximum Subscription
Number of Shares on issue or committed to be issued as at the Supplementary Prospectus Date	134,494,581	134,494,581
New Shares issued under the Offer	45,000,000	75,000,000
Total Shares after the Offer	179,494,581	209,494,581

Note: In addition, subject to the Lead Manager raising at least \$7 million under the Offer, Oliver's will have 10,950,000 Options on issue. If the Lead Manager does not raise \$7 million, then only 8,950,000 Options will be on issue. The

above capital structure assumes no Options are exercised before Completion and it does not include any bonus Shares to be issued by the Company under the Employee Offer.

6.3 *Significant interests of key people and control implications of the Offer (sections 1.7 and 7.8 of the Prospectus)*

Entities controlled by Jason Gunn and Kathy Hatzis, both Directors of the Company, will each be substantial Shareholders at the Completion of the Offer, holding a shareholding in the Company of approximately 22% and approximately 12% respectively, assuming that the Maximum Subscription is raised under the Offer, and approximately 25% and approximately 13% respectively, assuming that the Minimum Subscription is raised under the Offer; in both cases assuming that they do not subscribe for new Shares under the Offer.

In each case such a shareholding is not in itself sufficient to pass ordinary resolutions of the Company and each Jason Gunn and Kathy Hatzis will only be one Director, and together two Directors, out of five Directors on the Board. Accordingly, the Directors do not expect any individual Shareholder to control Oliver's on Completion of the Offer.

6.4 Interests of advisers and expenses of the Offer (section 6.3.7 of the Prospectus)

There are additional costs that will be paid to advisers in relation to the preparation of this Supplementary Prospectus and matters related to the variation of the Offer. These additional costs are not material in the context of the Offer.

Total expenses of the Offer may increase depending on the final split between the amount raised under the Public Offer and the amount raised under the Institutional Offer (on which a greater fee is payable to the Lead Manager). The total expenses are now expected to be between \$1.26 million to \$1.40 million under the Minimum Subscription scenario and between \$1.5 million to \$1.7 million under the Maximum Subscription scenario.

6.5 *Directors' interests in Shares (sections 1.7 and 6.3.5 of the Prospectus)*

As a consequence of the variation of the Offer, the Directors' interests in Shares will be diluted. The revised interests of Directors in Shares and Options is set out in the table below.

Despite the variation to the Offer Price of Shares under the IPO, the Board has decided not to amend the exercise price of any of the Director Options which will remain at an exercise price of \$0.30.

Director	Shares before the Offer	Shareholding %	Shares after the Offer	Post-IPO % Minimum Subscription	Post-IPO % Maximum Subscription	Options
Jason Gunn	43,387,500	37.5%	45,262,500	25.22%	21.61%	1,000,000
Kathy Hatzis	23,362,500	20.2%	23,987,500	13.36%	11.45%	500,000
Mark Richardson	1,233,333	1.1%	1,233,333	0.69%	0.59%	750,000
John Diddams	400,000	0.4%	400,000	0.22%	0.19%	3,500,000
Peter Rodwell	400,000	0.4%	400,000	0.22%	0.19%	500,000
Total	68,783,333	59.6%	71,283,333	39.71%	34.03%	6,250,000

Notes: Increase in holdings for Jason Gunn and Kathy Hatzis are indirect interests arising from their shareholding in Taonga Nui Holdings (NZ) Limited – see section 6.7 for further details. Assumes each of the Minimum Subscription scenario and Maximum Subscription scenario and that no existing Director or other connected person subscribes for additional Shares under the Offer. Shares and Options may be held by Directors through entities associated or controlled by the Director. The post-Offer percentages do not take into account any Shares to be issued under the Employee Offer.

6.6 Update to Financial Information

The financial information for the Company contained in this section includes historical and pro forma historical financial information for the Company being the:

- consolidated statement of financial position of the Company as at 31 December 2016;

- pro forma historical balance sheet of the Company as at 31 December 2016 assuming the Maximum Subscription scenario (**Pro Forma Historical Balance Sheet**),

(the Financial Information).

All amounts disclosed in the tables in this section are presented in Australian dollars and, unless otherwise noted, are rounded to the nearest thousand.

6.6.1 Basis of preparation and presentation of the Financial Information

The Financial Information presented in this section should be read in conjunction with the basis of preparation, the Financial Information, risk factors and accounting policies set out in sections 4, 5 and Appendix A of the Prospectus.

6.6.2 *Pro Forma Historical Balance Sheet (section 4.3 of the Prospectus)*

The Pro forma Historical Balance Sheets in Table 1 below illustrates the effect of the Directors' pro forma adjustments made to the reviewed historical balance sheet for the Company as at 31 December 2016 to prepare pro forma balance sheets which reflect the Minimum Subscription scenario of \$9 million and the Maximum Subscription scenario of \$15 million under the Revised Offer Price of \$0.20 per Share.

These Directors' pro forma adjustments reflect, inter alia, the impact of the operating and capital structures that will be in place following Completion of the Offer as if they had occurred or were in place as at 31 December 2016.

The following Pro Forma Historical Balance Sheets (together with the associated notes) replace the Pro Forma Historical Balance Sheets in section 4.3 of the Prospectus.

The Directors Oliver's Real Food Limited 10 Amsterdam Circuit WYONG NSW 2259

Dear Directors

INDEPENDENT LIMITED ASSURANCE REPORT ON OLIVER'S REAL FOOD LIMITED (OLIVER'S OR THE COMPANY) HISTORICAL AND PRO FORMA HISTORICAL FINANCIAL INFORMATION (THE IAR)

We refer to the Supplementary Prospectus to be issued by Oliver's in relation to the proposed initial public offer of shares (the Offer) in the Company (the Supplementary Prospectus) on or about 2 June 2017. This IAR should be read in conjunction with the Prospectus of the Company issued on 17 May 2017.

We understand the purpose of the Offer is, inter alia, to raise funds for the continued roll out of new Oliver's stores and the acquisition of existing franchise stores.

The nature of this report is such that it can only be issued by an entity which holds an Australian Financial Services Licence (AFSL) under the *Corporations Act 2001*. RSM Corporate Australia Pty Ltd (RSM Corporate) holds the appropriate AFSL (No 255847) under the Corporations Act 2001.

Expressions and terms defined in the Supplementary Prospectus have the same meaning in this report.

Scope

Historical financial information

You have requested RSM Corporate to review the consolidated statement of financial position as at 31 December 2016 of Oliver's included in the Supplementary Prospectus (historical financial information).

The historical financial information has been extracted from the interim financial report of the Company for the six month period to 31 December 2016 and which was reviewed by RSM Australia Partners (RSM).

RSM issued an unmodified review opinion in relation to the interim financial report for the period to 31 December 2016.

The historical financial information has been prepared in accordance with the stated basis of preparation, being the recognition and measurement principles contained in Australian Accounting Standards and the Company's adopted accounting policies. The historical financial information is presented in the Supplementary Prospectus in an abbreviated form, insofar as it does not include all of the presentation and disclosures required by Australian Accounting Standards applicable to general purpose financial reports prepared in accordance with the *Corporations Act 2001*.

THE POWER OF BEING UNDERSTOOD AUDIT | TAX | CONSULTING

RSM Corporate Australia Pty Ltd is beneficially owned by the Directors of RSM Australia Pty Ltd. RSM Australia Pty Ltd is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any jurisdiction.

Pro forma historical financial information

You have requested RSM Corporate to review the pro forma consolidated statements of financial position (assuming the minimum and maximum proceeds are raised from the Offer) as at 31 December 2016 (the pro forma historical financial information).

The pro forma historical financial information has been derived from the historical financial information of Oliver's, after adjusting for the effects of the Directors pro forma adjustments described in Section 6 of the Supplementary Prospectus.

The stated basis of preparation is the recognition and measurement principles contained in Australian Accounting Standards applied to the historical financial information and the event(s) or transaction(s) to which the pro forma adjustments relate, as described in Section 6 of the Supplementary Prospectus, as if those events or transactions had occurred as at the date of the historical financial information.

Due to its nature, the pro forma historical financial information does not represent the Company's actual or prospective financial position.

Directors' responsibility

The Directors of Oliver's are responsible for:

- the preparation and presentation of the historical financial information;
- the preparation and presentation of the pro forma historical financial information, including the selection and determination of pro forma adjustments made to the historical financial information and included in the pro forma historical financial information; and

The Directors are responsible for such internal controls as the Directors determine are necessary to enable the preparation of historical financial information that are free from material misstatement, whether due to fraud or error.

Our responsibility

Our responsibility is to express a limited assurance conclusion on the historical financial information and the pro forma historical financial information (together, the Oliver's financial information) based on the procedures performed and the evidence we have obtained. We have conducted our engagement in accordance with the Standard on Assurance Engagement ASAE 3450 *Assurance Engagements involving Corporate Fundraisings and / or Prospective Financial Information*.

We made such enquiries, primarily of persons responsible for financial and accounting matters, and performed such procedures as we, in our professional judgment, considered reasonable in the circumstances including:

- a consistency check of the application of the stated basis of preparation to the historical and pro forma historical financial information;
- a review of RSM audit work papers, accounting records and other documents;
- made enquiry of directors, management personnel and advisors;
- consideration of the pro forma adjustments described in Section 6 of the Supplementary Prospectus; and
- the performance of analytical procedures applied to the historical and pro forma historical financial information.

A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain reasonable assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusions

Historical financial information

Based on our review, which is not an audit, nothing has come to our attention which causes us to believe that the historical financial information, comprising the reviewed consolidated statement of financial position of Oliver's as at 31 December 2016 included in Section 6 of the Supplementary Prospectus, is not presented fairly, in all material respects, in accordance with the stated basis of preparation described in Section 6 of the Supplementary Prospectus.

Pro forma historical financial information

Based on our review, which is not an audit, nothing has come to our attention which causes us to believe that the pro forma historical financial information, being the pro forma statements of financial position as at 31 December 2016, is not presented fairly in all material respects and in accordance with the stated basis of preparation as described in Section 6 of the Supplementary Prospectus.

Restriction on use

Without modifying our conclusions, we draw attention to Section 6 of the Supplementary Prospectus, which describes the purpose of the financial information, being for inclusion in the Supplementary Prospectus. As a result, the financial information may not be suitable for use for another purpose.

Responsibility

RSM Corporate has consented to the inclusion of this assurance report in the Supplementary Prospectus in the form and context in which it is included. RSM Corporate has not authorised the issue of the Supplementary Prospectus. Accordingly, RSM Corporate makes no representation regarding, and takes no responsibility for, any other documents or material in, or omissions from, the Supplementary Prospectus.

Declaration of interest

RSM is the independent auditor of the Company and RSM Australia Pty Limited has provided certain taxation advice to the Company in relation to the proposed Offer.

RSM Corporate does not have any interest in the outcome of this Offer other than the preparation of IAR for which normal professional fees will be received.

We have attached our FSG at appendix A to this IAR. The FSG is designed to assist retail clients in their use of any general financial product advice in our IAR.

Yours faithfully
